Once you have a provider selected you may want to review your costs for services before going in for a visit.

Regence (Pioneer Educators Health Trust)

HOW TO ESTIMATE YOUR COSTS FOR SERVICES

1. Visit Regence.com
 - a. Log in with your username and password
 - b. If you don't have a username or password, register for one using your Regence ID card and other requested information
2. Select "Treatment Cost Estimator" at the bottom of the home screen

3. Search for a service or medical condition (for example, "Acupuncture")
 - a. Enter a service or medical condition into the quick search bar
 - b. Or select "Browse Medical Conditions"

- c. Once you have searched for your desired service or procedure, a list of providers will display with each providers' estimated, average cost for the selected service or procedure. Select the provider to see additional detail. For eligible Acupuncture, Massage Therapy and Spinal Manipulations member cost sharing is 20% of the allowed charge.
