## CAS 2025 Summer Financial Aid Request

Name: \_\_\_\_\_ LC ID: \_\_\_\_\_

**INSTRUCTIONS:** Review the Document Requirements and SECTION 1 to learn about summer financial aid. Complete SECTION 2 if you want to request financial aid for summer 2025.

**DOCUMENT REQUIREMENTS:** All of the following must be received by the Financial Aid Office:

- Your [2025-26 FAFSA](#),
- Additional documentation we request,
- You must be registered for all of your summer 2025 courses, and
- You meet all other financial aid eligibility criteria (e.g., satisfactory academic progress, etc.).

### SECTION 1: IMPORTANT SUMMER FINANCIAL AID FACTS TO UNDERSTAND

#### ENROLLMENT REQUIREMENTS

You must be enrolled full-time (12 credits minimum) to be eligible for Lewis & Clark institutional financial aid (e.g., Lewis & Clark Grant, merit-based scholarship, etc.). You must be enrolled at least half-time (6 credits minimum) to be eligible for federal financial aid (e.g., direct loans, etc.).

#### LIMITED SEMESTERS OF INSTITUTIONAL AID:

Receiving financial aid during the summer will use one of your remaining semesters of financial aid eligibility. It should result in you graduating at least one semester earlier than you otherwise would have graduated.

#### PRORATED AID:

Summer tuition charges are significantly discounted, in comparison to the tuition charges for the typical fall/spring semesters. Therefore, eligibility for institutional funding, (e.g., Lewis & Clark Grant, merit-based scholarship, etc.) is prorated for summer. EXAMPLE: "Student A" enrolls in 12 credits for summer. If summer per credit tuition is \$1,000, and their Lewis & Clark institutional aid usually covers 25% of tuition during the regular academic year, Student A's summer prorated Lewis & Clark aid would be \$3,000 (based on 12 credits x \$1,000 = \$12,000. And, \$12,000 x 25% = \$3,000).

#### FEDERAL FUNDING LIMITS:

Federal aid programs (e.g., Federal student loans, etc.) have regulated annual maximums. Using these funds in summer will reduce the amount available to you for Fall 2025 and Spring 2026 semesters.

Example: If the maximum federal loan amount is \$4,500 for the academic year, and the student meets all other eligibility requirements, the loan will be offered at \$2,250 per semester for fall and spring only enrollment OR \$1,500 per semester for summer, fall, and spring enrollment.
